**QUESTION 1: (5.0)**

1. Rojo (2013) asserts that contemporary texts have fundamentally altered the reader's engagement. Consequently, the proficiencies required for hypertextual reading must be refined and aligned with the multifaceted nature of hypermedia, positioning the reader as the central protagonist of the interpretative act. Taking the excerpt into account, elaborate on the development of digital literacy within the process of English learning.

**QUESTION 2: (5.0)**

2. Discuss the significance of a genre-based and strategy-based approach for learning and teaching English in Basic Education.
